FRANKLIN DISTRICT

So much to discover, so close to Auckland

Kia Ora - Welcome to Franklin - Where Auckland South meets North Waikato

A treasure of experiences right on Auckland's doorstep along the SH1 southern motorway corridor and railway-line with two service centres off SH1 - AutoBaths at Bombay & Papakura. Discover the rich Maori and immigrant settler history, the beauty of the Manukau Harbour and coastal beaches, breathtaking cliff-top vistas, the rugged iron-sand surf beaches of Awihitu Peninsula and the rolling hills reminiscent of an English countryside connecting the wild west coast to the bush-clad highlands of the Hunua Ranges and the tidal flats of Firth of Thames. Locals enjoy surfing, boating & sailing, fishing & shellfishing, kayaking, wind & kite-surfing, golf, cycling, walking and motorbike trails, beautiful gardens and vineyards, glow-worm limestone caves and hot-springs, horse and motor racing, and many sports in this place we call home. We'd love to share our slice of paradise with you too. If the outdoors is not for you then when shopping and beauty therapies, museums and heritage trails, restaurants and bars offer an opportunity to pamper yourself with friends and family. Come of a day or a weekend, or if conferring here ensure you take time to explore Franklin.

PUKEKOHE IS AN EXCEPTIONAL PLACE TO WORK, LIVE, AND PLAY.

A rural heart with an urban edge, Pukekohe offers the best of all worlds - the charm of a small town, proximity to the bustle of Auckland, bush to explore, beaches to enjoy and peaks to climb. Our community is spoilt for choice when it comes to dining experiences. As Pukekohe is known as the food bowl of the nation, you can be sure that the ingredients on your plate, where possible, have been locally sourced and harvested from the many market gardens that Pukekohe is so famously known for. When you visit our town and heritage main street, you become a part of our vibrant, diverse and welcoming community.

PATUMAHOE, WAIKUPA AND CLARKS BEACH - this area reveals some of Auckland's finest gardens, charming wedding chapels, boutique vineyards, animal studs, olive groves, golf courses, and safe swimming beaches.

WAIKUPA - visitors will delight in this friendly, inviting 'heritage' town. Walk around the town and visit the historic Waikupa Hotel with the oldest consecutive licence in the country. The town's waterfront, Tamakae Reserve is home to the fascinating Waikupa Museum and a small historic 'village' with several restored buildings dating back to the 1800s. Waikupa has numerous neighbouring attractions, including the stunning West Coast black sand beach of Kariotahi, the Glenbrook Vintage Railway and Glenbrook Model Railway, and the largest collection of Lavender species at Leafy Hollow, all just 10 minutes away.

AWIHITU PENINSULA offers some of the best views of both the Manukau Harbour and the rugged West Coast along the Tasman Sea. Attractions include many lifestyle and enterprise businesses, artists, beaches, vineyards, and the historic Manukau Heads Lighthouse. Interconnected beaches accessible by walkways and handy to a number of Holiday Parks make for a great holiday destination.

DRURY AND KARAKA - this area offers a range of activities from farm experiences to cafes, wine and olive tastings in tranquil, quiet, picturesque areas. Major attractions include Spookers and the thoroughbred yearling sales at the NZ Bloodstock Karaka Sales Complex.

PAPAKURA, ARDMORE AND CLEVEDON - Follow the Papakura Arts Trail or track down the Whales Tail before enjoying some retail therapy in the bustling township of Papakura. Attend an event at the Hawkins Theatre or Off Broadway Theatre, and enjoy a meal at one of the local restaurants or cafes. Heading east from the bustling township of Papakura come to the Ardmore Airport for some pleasure flight or to visit the Warbirds Visitors Centre where history flies. Follow the Clevedon Art Trail to the popular weekend markets at Clevedon offering artisan produce from across the region or stop at a strawberry farm to pick fruit in the season. Venture to the coast and Clevedon Oysters has a selection of fresh oysters year-round. A polo ground and international golf course host many events.

BEACHLANDS AND MARAETEA are seaside settlements with Beachlands bound on two sides by sea. Beachlands has the 'Pine Harbour Marina' and both these areas and surrounding bays like Sunkist Bay & Green Bay are home to a lot of kiwi beaches. Look up Pohutukava Coast for more detailed information on this area.

SEABIRD COAST, KAIKUA AND MIRANDA - with its world-renowned Chien shell banks, the Seabird Coast is the summer home to a variety of migratory Arctic wading birds including the Weyb which is found here all year round. A relaxing soak in mineral hot springs at Miranda is the perfect way to end your day before enjoying delicious fish and chips at Kaikua, a favourite of locals and visitors. Dotted along the coast you will find craft outlets and produce stalls just waiting to be discovered. Visit the Rangipo Museum, situated 1 mile south of Kaikua, featuring fascinating historic information about the area.

HUNUA offers a natural playground - its park having the largest native forest in the Auckland region, and its impressive yet picturesque Hunua Falls.

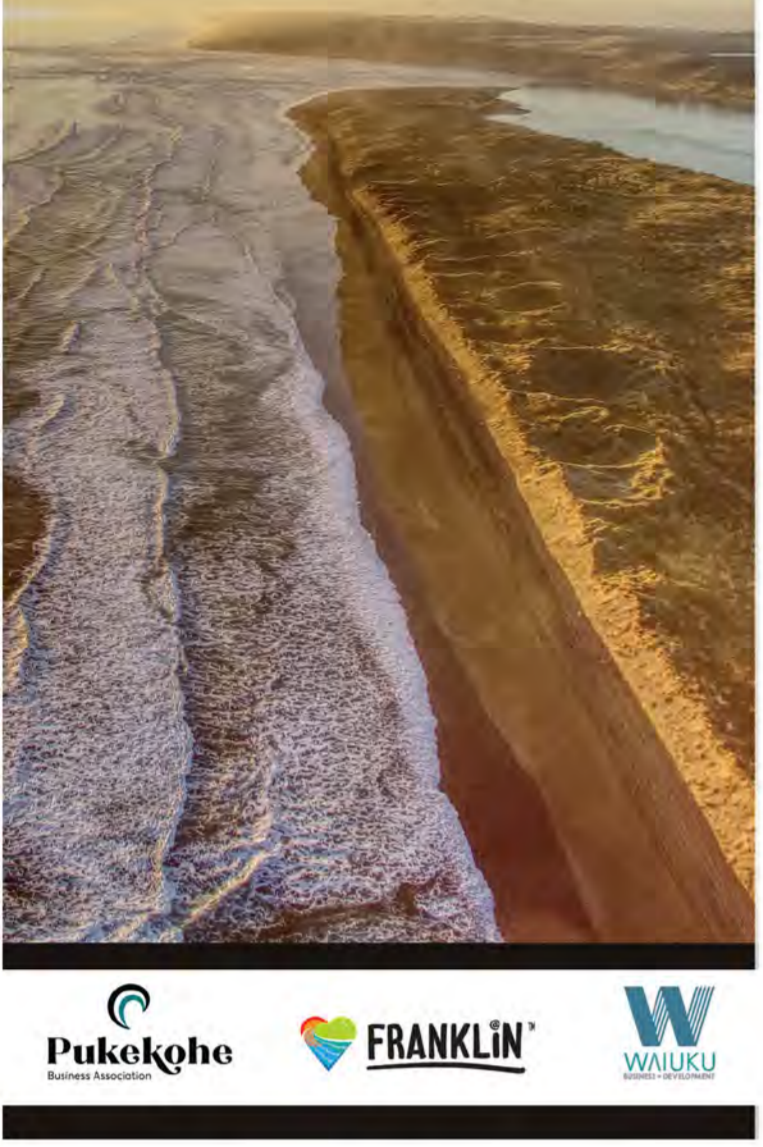

BOMBAY is home to New Zealand's largest olive estate, producing award-winning olive oil and skin care products and features an excellent restaurant.

MERCER is located beside the Waikato River and its Dutch cheese shop is a 'must do' in any itinerary. Stop into the Mercer Service Centre to refuel both vehicle and people at one of the fast food outlets or local restaurant & bars, visit the Mercer Art & History Museum, then head west over the bridge to Pukekohe for golf, or Glen Murray and the Nikau Caves, or east to the Mercer Airport for a microlight flight or skydive before taking a relaxing clip at the Miranda Hot Springs.

POKEKO is a favourite stop known for its generous servings of Ice cream, its locally produced bacon and sausages and friendly country village atmosphere. It's also home to the southernmost supermarket on SH1 before leaving Auckland at the gateway to Waikato.

TUAKAU services a large rural community and holds local stock auctions attracting farmers and visitors from far and wide who bring the town alive. Stop in at the Tuakau Hotel and visit the Tuakau Museum opposite the hotel. Famous for its café culture and growing range of antique and collectable stores, there are treasures to be found here by keen bargain hunters. Drive over the Tuakau Bridge and out to Port Waikato for a surf, or to continue the scenic drive to Nikau Caves.
